About Eva Hu

Eva Hu has been focusing on Intellectual Property legal services for more than ten years, specializing in trademark, copyright and domain name related affairs. She has won the trust of many clients all around the world for her professional legal advice, transposition legal considerations, comprehensive legal services, prompt feedback, innovative awareness and active communications.

She has been serving clients not only as world's top companies but also as ordinary companies, in many countries all over the world, and in various fields. She always provides professional legal services standing in the client's perspective, considering the client's special characters, to maximize the clients' interests.

Her empathy with her clients during her legal services for more than ten years has not only equipped her with the legal quality that a lawyer should have, but also with the legal literacy that an In-House should have. She has been managing trademark, copyright and domain name portfolios for many of the world's top 500 companies, and directly making overall Intellectual Property strategy for the clients, to establish strong portfolios for her clients so as to support their client's long-term business developments.

Eva Hu is fluent in English and Chinese. She does not only provide Intellectual Property legal services in Mainland China, but also provides services in other jurisdictions such as Hong Kong, Macau, Taiwan, Mongolia, India, Malaysia, Vietnam, Laos, Cambodia, etc.
